James McNeil and sister, Miss Nellie McNeil, returned yesterday from a visit to their old home at Ft. Edwards, New York. Both seem to have enjoyed their trip immensely, judging from appearances.

Ex-United States Marshal Griffith was in Tempe yesterday. Mrs. F. M. Schureman and son returned from a trip to various California cities yesterday.

Miss Okla Anderson arrived from Gila Bend yesterday. She attended the Normal last year and will re-enter this year.

Mrs. Pulsifer and her two daughters have come down from Prescott. Her daughters will attend school in Tempe this winter.

Hyder Bros' cut rate sale of summer goods continues and is very successful from all points of view. The low prices at which they sell some of their goods are simply astonishing.

A great many excursionists are returning, and with the Normal students coming in Tempe is beginning to liven up a little and business is picking up. Although no shortage of rooming quarters is expected, it is evident at this time that there will be very few if any rooms untaken.

Mrs. Elsie Averill of the Normal faculty came in yesterday. The other two members of the faculty who are still out of town are expected to arrive soon.

The popularity of last year's faculty at the Normal is attested by the number of new students who will enter. Prof. A. J. Matthews procured half fare rates for twenty-three new students—nineteen girls and four boys. Every student who attended last year carried away praises for the school, and the result is that from nearly every student's home town several students are coming. Taking Benson, which was represented by Miss Kaele Armitage last year, as an instance, there are six young ladies expected to arrive today from that place, beside Miss Armitage. Miss Armitage deserves great praise for her work in this direction.

Considerable freight was brought over the Gila bridge today. A large portion of it was for the Tempe Hardware and Supply Co., which concern is now putting in its fall stock, which will make it rank as one of the largest hardware stores of the valley.

Sam Miller left Thursday for Benson. He expects to be gone for some time.

Mr. L. P. Moore and bride came in from California yesterday. The bride is well known in Tempe as Miss Mildie Jordan, where she is very popular. Mr. Moore is no less well known and popular, he for several years having been the manager of the C. T. Hayden Co's.

#### A YOUNG LADY'S LIFE SAVED.

At Panama, Colombia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Huter, a prominent physician of Panama, Colombia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale by Elvey & Huilett.
